Washington Township
Fire District #1
REQUEST FOR PROPOSAL
CONSTRUCTION
QUALITY CONTROL
AND MATERIAL TESTING SERVICES
Per NJDCA Bulletin No. 03-5

The Washington Township Fire District # 1 ("Owner") will be awarding construction contracts for the demolition and construction of a new fire station on Johnson Road and renovations to Grenloch-Hurffville and East Holly Fire Stations in Washington Township (Gloucester County). The Owner is seeking a consulting engineering firm to provide independent construction testing and inspection services ("Consultant") for soils, concrete, and structural steel in conjunction with this project. Services will be required periodically through February 2022. YOU will be working directly for the Washington Township Fire District #1

The Owner is requesting that those prospective Consultants interested in providing services for the projects provide a proposal and fee schedule. It is anticipated that ground-breaking will occur in January 2021 and be substantially complete by February 2022. The successful firm must be able to work within this time schedule, pending a meeting with the Owner, Architect, and Engineer.

The full RFP & complete set of bid drawings and specifications can be requested by contacting Keith Kamitian (Remington & Vernick Engineers) @ keith.kamitian@rve.com..

Questions concerning the scope of work described herein should be directed to Keith Kamitian, at keith.kamitian@rve.com.

Proposals must be received on or before 10:00 AM on Wednesday, December 30, 2020, at WTFD Administration Office (Attn. Stephen Finn), 213 E, Holly Ave. Sewell, NJ 08080.

Cost: \$44.21
